

## Information/Conditions for filming and photography in the GRIMM WORLD Kassel:

- Filming is only permissible after obtaining authorization in advance.
- A member of the GRIMM WORLD Kassel staff will supervise the filming and provide information about conditions on the premises. All instructions must be strictly followed in the interests of safety and the framework of conservational care.
- Tripods and other bulky items may only be utilised in close cooperation with the employees of the GRIMM WORLD Kassel. We will be pleased to give assistance.
- Please use cold light lamps when filming objects and original exhibits.
- Showcases may not be opened and freestanding objects may not be touched.
- Those applying for permission are liable for any damages that may occur to installations, works of art, objects on exhibition or the building fabric of the GRIMM WORLD in connection with the filming.
- If the film material is passed on or used for purposes other than those agreed upon, a separate contract with the GRIMM WORLD Kassel is required.
